VIEW PLEDGE:

I pledge to promote the interests of VIEW, to extend friendship to all
and to help those in need.

PRESIDENT'S REPORT

Thanks all those members who assisted in making our 4th Birthday party such an enjoyable event last month..

It is the stage of the VIEW year when we will be giving time and attention to the "RESOLUTIONS" put forward by our National Office. Ruth will be speaking about them at the next few monthly meetings prior to the club voting which will take place in August.

I would like to thank Laila for her tremendous work as our PROGRAM OFFICER – if there were any member who would like to join the team, we still have a position to be filled... it's a lot of FUN.

There are a number of great events planned for the next 3 months and I would urge members to come along to the "Quarantine Station Tour on Wed April 19- only \$10-please pay the bank by the 12th. Thinking further ahead we have our "Sausage Sizzle booked for Sun June 11-so check your diaries and sign up to help.

Much of our fund-raising focuses around our RAFFLES and over recent time this has been organised most successfully by Vicki with the assistance from friends/family. As the role of treasurer is so time consuming (Vicki has this role for 2023) the club needs a new RAFFLE QUEEN so again I am asking if any member/s who would be prepared to take on this very important role to step up and take up the challenge.

Finally, hoping you all have a happy and safe Easter with friends and family.

Mandy, President

GREETERS ROSTER 2023

CLUB NEWS

Learning for Life Program - Jean C.

Along with the usual support the students receive from the Smith Family, one of the partner schools in Darwin is implementing the Smith Family Elders in School program. Elders visit the school to connect with students who might not otherwise have access to those role models or support systems. Elders join classrooms to share knowledge, history, stories and skills, contributing a unique perspective. The Smith Family believe "Good things happen when learning environments include diverse perspectives and value Aboriginal and Torres Strait Islander culture. Barriers break down as children learn more about themselves and each other. Students become more engaged, not just with culture, but also with peers and schoolwork." During March there was the following correspondence with students: letters were sent to Thaw, Skye, Daniel and Jenny, an introductory letter was sent to Alice and Ethan, a birthday card and a \$50.00 voucher was sent to Ethan who turns 17 in June.

Jean C., Learning for Life Co-ordinator

Welfare Report – Claire A./Mandy K.

We have been keeping in touch with members, particularly those who have been unwell and have also sent Get Well cards. Should you hear of a fellow member who is not faring too well, please do not hesitate to be in touch with us and we will send them a cheery card or give them a call.

Delegates Report – Ruth R.

Every two years VIEW members vote on issues of national importance to women, children and education. The chosen 'resolutions' become the focus of advocacy and lobbying work for the coming years.

Each month we will present one resolution and briefly discuss the reasons we should support a 'yes' vote.

Resolution 1: VIEW Clubs of Australia call on the State and Federal Governments to work together to ensure all young Australians have the digital resources and skills they need to fully participate in education particularly in rural and remote areas.

If you wish to read the rational and some arguments for and against this resolution, please click on the link below.
