PRESIDENT'S REPORT

Members, as I look back over the last month, I am amazed at just how much we can fit into our busy schedules- Easter, School Holidays, Tour of the Quarantine Station, Connect @ Coffee, Soiree at Wendy E's, Book Club, our inaugural GIRLS NIGHT OUT and lastly, a most memorable Morning Melodies at the RSL.

I do enjoy the camaraderie that these events provide and is the basis of why our club is so great.

I had the opportunity to speak to our Zone Rep Christine P, on the phone, and she commended us on our fine fundraising efforts and the "health of our club". We are a shining light down here on the peninsula. Well done committee and members.

Mandy, President

Learning for Life Program - Jean C.

The Smith Family delivers Learning for Life Programs across 92 Australian communities often out of the local school. The communities have been identified as having higher concentrations of families living in economic disadvantage and are across all Australian states and territories.

Our club sponsors 2 students in Western Australia, 2 students in Victoria, 4 students in Queensland and 1 student in Tasmania. Our recent digital access Joy Spreader donations allow students to have access to low-cost internet and devices as well as tech support and the knowledge to make the most of the technology they have.

This month we sent a birthday card and \$50 voucher to Ethan who is turning 17 in June.

Jean C., Learning for Life Co-ordinator

Delegates Report – Ruth R.

Every two years VIEW members vote on issues of national importance to women, children and education. The chosen 'resolutions' become the focus of advocacy and lobbying work for the coming years.

This month in the newsletter and to the May meeting we will present the second resolution and briefly discuss the reasons we should support a "yes" vote.

Resolution 2: VIEW Clubs of Australia urge the Federal Government to impose tighter restrictions on Sports Betting companies as to where and when they can advertise their products and that all advertisements contain information about the problems of gambling addiction, as done with cigarette smoking.

If you wish to read the rationale and some arguments for and against this resolution, please click on the link below.

16 members put their names forward as being interested in "getting together – to spin a yarn, or knit a thing or two, or share their expertise. I sent out an email to those listed and I need to know:

1. Are you still interested in attending a monthly gathering
2. Morning or afternoon preference- 2hrs
3. Day – 4th Wednesday of the month
4. Venue- Cannot use Seawinds Community for Wed unless we use an 11am-1pm time slot (not the best).. so VENUE may begin in people's homes if we get some volunteers.

Please note – the purpose of the group is firstly for socialising then secondly a possible project. More details at the meeting on the 11th.
