and to help those in need.

PRESIDENT'S REPORT

Welcome to June and WINTER. Many of our members escape to warmer climates either here or overseas and I wish them 'bon voyage' and safe travelling. For those who are at home we urge you to take advantage of our events on offer. It always helps to shake of the "winter blues" by having a full social schedule and something to look forward to. It is a time to enjoy the simpler things in life such as "coffee with friends" and "going to the movies" or "a bite to eat".

The committee is currently reviewing our options for a venue for our monthly meeting. Many factors such as a central location, accessibility (parking), facilities and ambience must be taken into account when choosing a suitable location and a solution is near at hand. We will keep you posted !

Lastly a big call out to members to support our forthcoming Bunnings Sausage Sizzle - Sunday June 10.
We need:

- Volunteers to slice, package and deliver ONIONS (see Mandy at the meeting)
- Work on the day at the stall (see Jane)
- Donate to support our effort (cash donations to Vicki/Mandy)
- Come along and BUY a Sausage 8am to 4pm

Mandy, President

Learning for Life Program - Jean C.

Some sobering facts from the Smith Family website:

The Smith Family support 59,000 Learning for Life students nationally.
All of these families are low income.

- 1 in 5 have Aboriginal or Torres strait Islander backgrounds.
- More than 1 in 3 students have a health and disability issue.
- More than 70% of parents are not in the labour force or are unemployed.
- 20% of students have been at 4 or more schools and 1 in 20 at 6 or more schools.
- They are more disadvantaged than their peers in disadvantaged schools.
- 15% do not have digital access at home.

This month we sent a card and \$50 voucher to Te Ao Marama for his 14th birthday. We posted cards to keep in touch with Sarah and Tavila.

We also received the above letter from Thaw.

Jean C., Learning for Life Co-ordinator

Delegates Report – Ruth R.

This month at the meeting we will present the third resolution and briefly discuss the reasons we should support a 'yes' vote.

Resolution 3

VIEW Clubs of Australia call on the Federal Government to increase funding for social housing. Local and regional support networks to address homelessness, the housing crisis as it affects the needs of women and families.

Somewhere I read that over 230,000 households are on the social housing waitlist and that women and their children make up a large percentage of those in need of affordable housing. It is difficult to find the exact numbers and the issues and fixes are very complex but there's little doubt that homelessness and the housing crisis have become a national emergency. I'll have more to say at the June meeting.

If you wish to read the rationale and some arguments for and against this resolution, please click on the link below.

Trading Table

Our trading table has been very successful in raising money with all proceeds going directly to the Learning for Life program. If you have any items in good condition you wish to re-gift/donate, please see what you can find to bring along to the next trading table which will be at our **June** meeting. If you would like to assist Tricia, Shirley and Linda this year please catch up with them at the next meeting many hands make light work.

Knitting Nancy's – Craft Group UPDATE

We have held our first gathering of the group. Needles were busily clacking and lines of crocheting abounded. After an initial flourish of "SHOW AND TELL" the group settled into a comfortable routine of action and chatting. At this stage we are still contemplating what "PROJECTS" to undertake and which organisation to support. A big thank you to Laurie for volunteering her home for next month's gathering. Please remember, all are welcome and BYO knitting/crocheting/crafting projects.

When: 4th Wednesday of the month- June 28

Time: 1pm-3pm

Location- July- Laurie's place-5 Prospect Hill Rd, McCrae.
