## President's Message

It was disappointing to have our 31<sup>st</sup> Birthday celebrations and our outing to GOMA cancelled, but unavoidable as we and thousands of other Brisbane residents went into Lockdown. The pandemic has certainly changed all our lives.

We are now looking forward to our planned lunch on 7th September and the outing to Coucals Gardens on 14th September.

Our September guest speaker, Clare Blake, Community Liaison Officer for QIMR Clive Berghofer could not be coming at a better time. She will be giving us lots of up-to-date information about the vital medical research being conducted right here in Brisbane. Suddenly many of us have a much greater interest than ever before in medical research and how it affects our lives. There are sure to be lots of questions for her!

For those who like podcasts look for 'Breaking Poverty', (two episodes) presented by Adam Shand.

There's a big focus on the Smith Family and the LFL programme....and the stories from carers, students and others are really interesting.....demonstrating education as the key to breaking the poverty cycle.

It was released in October 2020.

Happy Birthday!
