## President's Message

*In 2021, we managed to enjoy our monthly lunches at Mt Ommaney Hotel Apartments and to maintain support for our 8 Learning for Life students. Sadly, the continuing Covid health crisis, however, has led our committee to cancel our February 1st lunch meeting and our planned Crazy Whist on March 8th.*

*As a recent press article pointed out, no other students in a century had to put up with so much for so long during the past 2 years. The article described the efforts of The Smith Family in a pandemic to help students overcome the accumulation of disadvantage coming on top of poverty and disengagement. \* Be assured that your continuing Club membership will assist the significant work of TSF as it plans to celebrate its centenary in 2022.*

*We plan that a brief AGM will now be held in March prior to lunch and a presentation from our guest speaker, Rebecca Bain. We still need members to fill the positions of Program Officers, perhaps sharing with a friend. Speak to any committee member to offer your assistance.*

*For the remainder of 2022 let's put aside our anxieties and fears in this Covid influenced world and anticipate fun, friendship and entertainment as members of Chapel Hill VIEW Club.*

Having no dedicated Program Officer for raffles, this year we will try a roster system. Each month we ask that members nominate to supply a raffle or lucky door prize (\$10-15). Why not pair up with a friend (or two) to provide a prize you would love to win! A roster will be circulated at the first meeting.
