

# RESOLUTIONS – The VOICE OF VIEW

## INFORMATION ON COMPLETING THIS FORM

Clubs or individual members may forward a Resolution at any time during the year up until 25 November 2022.

1. Each motion needs to be supported by a strong and well-presented argument for and, if possible, argument against. This is to ensure that the intent of the motion is fully presented by the Club/Individual.
2. Clubs or individuals may, if they wish, provide 'dot points' of concerns/issues to be considered by the Resolution Sub-Committee.
3. All resolutions are to be forwarded to National Office ([view@thesmithfamily.com.au](mailto:view@thesmithfamily.com.au)).

In determining the most important issue, please consider the 'what' and the 'how'-

- What - you desire as the outcome/s of your motion, and
- How - investigate the necessary process to achieve that outcome.

It is suggested that your Club debate the topics raised and hold a vote to select the issue it sees as its priority. You may consider involving a local school in this process – perhaps invite a debating team to your Club to conduct a debate on your preferred topic.
