Dear Carol,

**Making a Difference Award – Carol Bomford**

Congratulations Carol, we are delighted to advise that you are a recipient of the "Making a Difference" Award for January - March 2022.

Your outstanding contribution to your Club, VIEW, The Smith Family and the community is impressive.

Carol, you are a true ambassador for VIEW demonstrated by your vim, vigour and enthusiasm for all things VIEW. Your fellow club members value the pride you take in your Committee roles since joining VIEW in 2003. As the club Program Officer 2004/2005 you enjoyed sourcing very interesting and informative speakers for the benefit of educating members. The Committee and members are never left to wonder about what comes next, you keep them up to date with club events and enjoy attending the many functions held by your club and other clubs in your area. Carol you hold the values of VIEW close as you welcome and assist new members. Well done Carol.

Your achievement will be acknowledged on the VIEW website and your name will be added to our Honour Roll at National Convention 2022. We do hope to see you in Adelaide in September 2022.

We have also sent a letter to your Club thanking them for nominating you.

Keep up the great work.

Kind regards

*Mary Woodhouse*
