## President's Message

June has been a very busy month for some of your committee. In mid-June, together with other committee members from Logan, Sunnybank, Carindale, Redlands, Moreton Bay, Kenmore, Centenary Evening, and Ipswich Clubs, we met our delightful National President, Margaret Woodhouse at a meet and mingle morning at Newnham Hotel. We also had the opportunity to meet Maryanne Maher, VIEW National Manager. Much happy chatter seemed to be a good introduction for those members going to National Convention in Adelaide in September. Further enjoyment for club members also came from attendance at the Zone Conference at the end of the month when we heard from National Vice President Elizabeth Birch and a student who has been the recipient of a L4L scholarship. Now, our July meeting brings us to NAIDOC Week, with its theme "Building inclusive communities and valuing the contributions and unique talents of all."

As members of VIEW, we understand this fully, through our support of each other and the students in the L4L program. I have been particularly grateful for the way in which committee and club members have taken on extra tasks to enable the club to function smoothly in the absence of some of the committee. It is obvious that we need replacements for those who will be retiring after many years of service. Why not talk with a committee member about how you can help your club to prosper into the future?
