

BECOME A SISTER CLUB

Thank you for your interest in the 'Sister Club' scheme.

THE AIMS BEHIND THE SCHEME

1. To strengthen and grow VIEW Clubs and the VIEW network.
2. To support new Clubs into the VIEW community.
3. To provide support for Clubs who are isolated and may be experiencing difficulty.

HOW DO WE BECOME A SISTER CLUB

1. Identify a club in a neighbouring area, other state or your own zone who may like to become your 'Sister'.
2. Make direct contact with that club to discuss becoming 'Sisters'. Contact details can be requested from National Office.
3. Arrange a visit to see if your clubs are a good fit.
4. Notify National Office of your new relationship.

KEEP IN TOUCH

How you keep in touch with your 'Sister' is of course entirely up to you, however, to get you started I offer you the following pointers which you may find useful.

- **Write to your Sister Club.** Introduce yourself – exchange news about your Club, exchange ideas about your programs, club activities and news about your members.
- **Share with your 'Sister Club' how your Club operates.** For example - how your Club holds the interest of your members and keeps everyone coming back for more.
- **"Can we meet"?** 'How can we get together - Convention - Bus trip - Special Function etc.

Congratulations on being part of this growing initiative, I trust that your members will enjoy the opportunity to learn more about our VIEW family, and gain new friendships.
