1. Welcome

National President Jan Roberts on behalf of her fellow Executive Pat McRae and Annette Schlafrig welcomed all present and began the meeting by acknowledging the traditional owners and custodians of the land. She then opened the meeting with the VIEW Pledge.

Jan welcomed the 2018-19 National Councillors to their new roles as members of the VIEW leadership team, sharing the Executive’s 2018–19 theme, ‘Make Connections Make a Difference’. The theme recognises that VIEW members make connections with others in the community. VIEW members are connected through a supportive network based on friendship. We sponsor students, volunteer, fundraise and advocate to enable better life outcomes for disadvantaged Australian children and young people. As the largest community sponsor of Smith Family Learning for Life students, VIEW continues to make a difference to the lives of financially disadvantaged children’s education. VIEW also makes a difference to the lives of women by bringing them together, enabling them to create lasting friendships, have fun and contribute to their community in meaningful ways through supporting the charitable works of The Smith Family.

Jan expressed that VIEW’s focus for 2018-19 is to:

- Continue to attract new members as well as retain our existing members,
• Continue to focus on Developing new clubs in all Areas
• Encourage members to step up to Leadership in VIEW - Club committee positions, development teams, Zone and National Councillor roles.
• Encourage members to join our Speakers Bureau so that all members can confidently promote VIEW to others in the community and inspire others with our support of disadvantaged Australian children's education.
• Continue to promote VIEW by utilising Facebook and our Website
• Continue with the popular Making a Difference Awards recognising and congratulating our members.

Jan also made reference to the fact that it was a privilege to be leading this national women’s organisation with strong core values and guiding principles and made reference to VIEW Club’s guiding principles:

Jan referred Councillors to the inside front cover of VIEW Matters magazine, where VIEW’s Vision, Mission statements, Purpose and Guiding Principles, or our Values were located and then reiterated that as members we are:

• Inclusive and Welcoming
• Diverse and Respecting
• Supportive and Caring
• Locally focused while nationally active
• Collaborative and Future Looking

3. REPORTS

3.1 Upcoming Events (Decade birthdays, Area Gala, Zone Conferences etc)

Pat McRae noted that many clubs will celebrate Decade birthdays in 2018 with 12 celebrating their 50th. Area Gala and Zone Conferences are in planning mode and members will be advised by their National and Zone Councillors of these upcoming events.

International Women’s Day (IWD) events

Many regional areas and individual clubs are busy arranging their International Women’s Day (IWD) events throughout Australia for March 2018 (8 March is actual IWD). This year’s theme is #PressforProgress, relating to - a strong call-to-action to press forward and progress gender parity. Members are encouraged to support their Club, Zone or Area functions and invite other women in the community to join them. This is a great opportunity to showcase VIEW in the community.

We look forward to hearing about and seeing all the wonderful photos taken at the VIEW events this year, including State and regional IWD functions.
### Event Notification

Pat informed Councillors that all Clubs, National and Zone Councillors are now asked to forward their Event Notification forms to her at pat.mca@bigpond.com at least one month prior to the event for insurance purposes, Pat made reference to the VIEW Club Handbook 2018-19, page 25:

“*The Smith Family/VIEW maintains Public liability insurance for events conducted by VIEW Clubs, subject always to the full Terms, Conditions and Exclusions of the Policies. Each year, the insurer is updated with information about the range of VIEW activities involving members - e.g. breakfast/lunch/dinner, bus trips/outings, craft days, picnics etc. When undertaking an outing or activity which falls outside the regular activities of VIEW, the Club Secretary must advise National Office in writing at least one month before the event. …”*

Details of the insurances maintained by The Smith Family/VIEW can be found in the Insurance section of the Club Handbook 2018-19 on page 22.

### 3.2 National Council Learning for Life Student – Update

Pat spoke about the importance of supporting *Learning for Life* students and asked the National Council if they would agree to continue to collectively support a *Learning for Life* student who had been sponsored by National Council since 2009.

Jeanette Cassidy National Council Student Liaison 2016-17 gave a brief report on the student supported.

National Council voted unanimously to continue their support of a *Learning for Life* student for their two year term.

Marlene Powell agreed to take over the role of *Learning for Life* Student Liaison 2018-19 corresponding with the student and reporting to National Council.

### 3.3 Connecting with Local/State/Federal Members of Parliament (MPs)

Pat made reference to National Office update (Letters to Local/State/Federal Representatives) that in 2018-19 to increase VIEW Clubs’ profile in the community, National Councillors (and in some circumstances where there is no National Councillor, Zone Councillors) have been provided with template letters of introduction to send to their Local, State and Federal representative/s in their Area.

Their aim is to seek a face to face meeting with their Local, State or Federal representative/s to increase awareness about VIEW and The Smith Family, who we are, what we do and how they can help to promote VIEW in the community.

National Councillors will be reporting on these meetings with their Local, State and Federal representative/s at each National Council meeting.

### 4. Sub-Committees

#### 4.1 National Council Sub-Committees – Membership

Annette Schlafrig spoke to a paper previously circulated.

National Council had been provided with an outline of National Council Sub-Committees and working Groups for 2018-19.

Annette explained that National Council Sub-Committees are a critical part of VIEW, creating more flexibility within the organisational structure allowing the National Council and Executive to work with new and emerging leaders within the organisation.
Working Groups are longer term committees which focus on specific functions/areas and involve Executive, National Councillors and other VIEW members.

National Council Sub-Committees proposed were:

- Resolutions Chair: Annette Schlafrig
- External Relations Chair: Maryanne Maher
- VIEW in the Community incl Events Chair: Pat McRae
- Promoting Our Brand/Speakers Bureau Chair: Annette Schlafrig/ PNP Gwen Wilton
- Community Partnerships Chair: Maryanne Maher

Working Groups include:

- History Chair: PNVP Susan Groenhout
- Website and Social Media Chair: Pat McRae/PNVP Carleen Maley
- 2019 National Convention Chair: PNP Lorraine Montgomery
- Future of VIEW Chair: Maryanne Maher
- Development (new) Chair: Maryanne Maher/Jan Roberts
- Community Grants (new) Chair: Maryanne Maher

Community Grants (new)

We are seeking assistance from VIEW members who are willing to research various avenues to source available/applicable grants and also identify potential community grants in Areas where VIEW Clubs are located (nationally). Such volunteers could assist members with drafting, keeping a register, follow through to submission, recording results and reporting.

This could include:

- Agreeing on which Grants would be most beneficial
- Sourcing Grant Opportunities in locality/states where VIEW Clubs are active
- Providing support for individual Clubs/Areas in their Grant submission drafts
- Drafting Grant Submissions within time frames required
- Seeking approval for all Grant proposals prior to submission from National Office or TSF (in a timely manner).

Any VIEW members interested in joining or finding out more about either the Development or Community Grants Working Groups should contact their National Councillor.

5. Working Groups

5.1 History

National Council noted a report previously circulated.

- A number of clubs are actively saving club data with many creating the role of ‘Club Historian’ in order to preserve their individual club history. Clubs are encouraged to preserve their history and forward copies (electronically) to the History Working Group.
**5.2 Website & Social Media**

Jan Roberts spoke to a report previously circulated.

**Website New Year Updates**

VIEW Clubs are reminded that the beginning of the year is the time for updating their Club webpage with changes to Contact Details (phone number and email address) as well as any relevant changes to their meeting location, date and time.

The Club Secretary (or Web Contact) should review their webpage and furnish any changes in contact details to admin@view.org.au.

**Audit/Review during 2018**

The Website and Social Media Working Group will be conducting an audit of Club information appearing on the website throughout the year.

Members of the Working Group will make direct contact with each club and confirm the accuracy of their Club’s webpage details under the following headings “About”, “Contact”, “Location”, Events etc, as well as include Club Facebook details.

The Working Group will then present this information to the Website Support Group in order for each web page to be updated.

Clubs are reminded to e-mail stories/descriptions of any special events including photos of a range of Club events not just birthdays.

Reminder – It is equally important for Clubs to regularly update “Club News” on their webpage. Updates to Facebook should also be reflected on their Club webpage. In this way Clubs keep their members and others informed of up to date current events and activities. Clubs should send information about current events and activities including articles and photos to: admin@view.org.au.

**Rename your photos for easy identification** - Members are reminded that photos must be renamed before sending them for uploading to the website by the Working Group.

**All photo names should include: State, Club name, Date.** For example: NSW Woollahra 150717; SA Adelaide City Ev 150118 etc.

Renaming photos in this manner will avoid a mix up when photos are received with the same name from different clubs (example image 01, image 02 and image 03 received from three different clubs on the same day).

This Process for Naming of photos (State, Club name, Date) should also be used when posting photos on social media or when sending photos in for VIEW Matters.

- Posting to Representative Facebook/Website/Newsletter/Flyer
- Placing VIEW Club contact details onto Community Website/Noticeboard
- Local Community Fair Day – to potentially hold a stall and promote VIEW
- Grants that can help VIEW Clubs and/or support The Smith Family
- Support that they can provide to local VIEW Clubs eg printing/photocopying, stamps, guest speakers, promoting events on their website/newsletters.

Correspondence to LfL Students and sending information to VIEW Clubs around Christmas Time

For The Smith Family (and VIEW Clubs), Christmas is a very busy time of year, and an enormous amount of mail is received in The Smith Family National Office during this period, including gifts, cheques, presents, etc.

To ensure that the mail is directed to the appropriate department in a timely manner we ask that you: **Address your mail to VIEW Clubs C/- The Smith Family.**

Send any Student correspondence, letters or gift cards in a separate envelope so that it can be expedited and sent to students.

Club Statements (new procedure)

As VIEW Clubs operate on a calendar year, from January 2018 VIEW National Office will be providing VIEW Club’s Statement as at 31 December in January each year (previously they were provided to Clubs at the end of financial year – 30th June). This change will allow each Club’s Secretary and Treasurer to reconcile their Club’s payments before finalising financial documents for Annual VIEW Audit.

The Statement includes all transactions recorded in VIEW accounts system from 1st January 2017 through to 31st December 2017. **This statement details anything processed as a stock order**, including new member joining fees and purchases of any VIEW merchandise. This statement does not include donations, annual membership subscriptions or Learning for Life sponsorships.

If a club does not receive a Statement, the Club’s balance as at 31st December 2017 is zero. There is no further action for you to take.

If a club has already sent in their Books for audit before receiving this statement, then they don’t need to panic. Just ensure that they pay any outstanding invoice/s ASAP and to consider this process at the end of this year.

Cashbook (new procedure)

VIEW Electronic Cashbook

Club Treasurers are encouraged to use the Electronic Cashbook for easier record keeping, Treasurer’s monthly reports and the annual audit. Our
Auditors also prefer this version. Based on audit 2016 results, 48% of VIEW Clubs (136 clubs) are using the VIEW Electronic Cashbook version.

**VIEW Electronic Cashbook Liaison PNC Trish Murphy** is the first point of contact for any Club Treasurer requiring assistance or explanations in relation to the VIEW Electronic Cashbook 2018. If you have any questions or concerns, please contact Trish Murphy on 03 5251 2675 or email to murphytrish40@gmail.com.

**VIEW Cashbook (hardcopy)**

National Office understands that not all Treasurers will be familiar with the electronic cashbook and prefer to use the hardcopy version. Previously all clubs were sent a hard copy cashbook regardless of the Treasurer’s wish to use the electronic version. National Office received feedback from many clubs requesting that a hardcopy version **not** be sent as their Treasurer prefers the electronic version and this is seen as incurring unnecessary postage expenses.

Therefore, this year we are trialling a new process. If the Club Treasurer wishes to use the hardcopy version of the VIEW Cashbook, we ask that they complete the Request form enclosed in the Treasurer’s January mailout and send/email it to National Office [view@thesmithfamily.com.au](mailto:view@thesmithfamily.com.au).

Please note: The hardcopy VIEW Cashbook will only be sent to your Club’s address upon receipt of your club’s completed request.

**Service Pins**

In the January Mail out, your clubs will have received a decade badge order (green) form. Clubs are asked to check that the information is correct and that the member **does** wish to receive a decade service pin.

With recent postage increases, the minimum cost of packaging and mailing 10 and 20 year decade service pins is $8.75. Clubs pay $5 for the badge and postage currently. This cost will need to be reviewed in the future.

In the meantime, eligible members should continue to be asked:

a) whether they require their 10 and 20 year decade service pin or

b) if they would prefer a Certificate of Service.

These certificates were introduced in 2013.

**Purple Gro grain Ribbon – no longer available from National Office**

National Office were informed by the supplier of the Purple Gro Grain Ribbon that they were no longer able to supply this ribbon in the quantities required. We have been unable to source an alternative supplier at a reasonable price and will therefore no longer be able to supply this item to members. This item has now sold out.

**Certificates of Appreciation**

The VIEW Certificate of Appreciation format has been refreshed. The new design includes changing it from an upright (portrait) design to a sideways (landscape) design and uses the colourful VIEW bubble design element. The Certificates of Appreciation will also be printed onto a lighter weight paper, allowing it to be fed through home printers, as requested.
Certificates of Appreciation will be available for order from the February mailout.

**Making a Difference Awards 2018-19**

2018-19 Executive will be continuing the popular “Making a Difference Awards”. Clubs may nominate deserving members from February 2018. Details on nominating a member and the nomination form will be available on the website ([http://view.org.au/resources/forms/](http://view.org.au/resources/forms/)).

**Upcoming Event of Interest at the Hilton Surfers Paradise – 26 May**

A VIEW Literary Luncheon will be held on Saturday 26 May 2018 at the Hilton Surfers Paradise (6 Orchid Avenue, Surfers Paradise). Guest speakers will include authors Jenny Old and Jo Moon discussing their soon to be released books. Tickets are $45 which includes a 2 course meal, coffee and tea.

This will be a wonderful event to promote VIEW to others in the community. We encourage VIEW members and especially their friends and book lovers to join us for an enjoyable day. A formal invitation will be sent to clubs shortly. For more information contact PNC Annette Thiedeke at viewncqc@gmail.com.

2018-19 – Late appointments

- The State of Qld now consists of 3 Areas QA, QB and QC. Areas QB & QC although without National Councillors will be supported by Zone Councillors and Executive Mentors will support these Zone Councillors.

- QA currently has no National or Zone Councillors

Sydney North Shore and Northern Beaches (NC)

- NC currently has no National or Zone Councillors

In both of these identified areas, National Councillors for 2016-2017 were approached to see if they would be willing to continue in the role as Acting National Councillor for 12 months with a view to mentoring someone to succeed them after 12 months.

Lyn Masters (Brisbane and Surrounds (QA)) and Jeanette Cassidy (Sydney North Shore and Northern Beaches (NC)) have both agreed to continue in such roles.

It was proposed that:

- Lyn Masters and Jeanette Cassidy be ratified as Acting National Councillors for their respective areas Brisbane and Surrounds (QC) and Sydney North Shore and Northern Beaches (NC) for 2018;

- Lyn and Jeanette will be invited to attend scheduled National Council meetings for 2018 and report back at regular intervals encouraging members to learn more about the duties of National Councillor and work towards identifying a replacement National Councillor for their respective Area by 1 January 2019.

- This process is to be reassessed by all parties at the end of 2018.

After some discussion Jan Roberts moved that Lyn Masters and Jeanette Cassidy be ratified as Acting National Councillors for their respective areas.

Seconded by Maria Culka

Carried unanimously

7.4 Zone Councillor Nominations 2018-19 – Late appointments

Jan Roberts spoke to a paper previously circulated.

There are a number of vacant National and Zone Councillors positions leaving a large number of unsupported Areas and/or Zones for 2018-19.

- Area VB does not have a National Councillor for 2018-19
- Zones VB01 (Rosemary Coleman) and VB03 (Ann Keating) have Zone Councillors
- Zone VB 02 does not have a Zone Councillor

Rosemary Coleman is willing to fill the vacancy for Zone VB02 (in conjunction with Zone VB01) as the two zones are within short driving distance from each other.

It was recommended that Rosemary Coleman be ratified as Zone Councillor of VB02 pending her joining a VIEW Club in VB02, with this appointment to be reviewed at the end of 2018.

After some discussion Jan Roberts moved that Rosemary Coleman be ratified as Zone Councillor of VB02 subject to above conditions.

Seconded by Lesley Carroll

Carried unanimously

7.5

Jan Roberts spoke to a paper previously circulated.

During 2017, Box Hill/Mitcham VIEW Club approached National Council with a request that their club be rezoned from VA01 to VA02.
Rezoning Box Hill/Mitcham VIEW Club

Box Hill/Mitcham VIEW Club provided the following reasons for requesting this rezoning:

- Other VA01 Clubs are some distance from Box Hill/Mitcham Club, making it difficult for interaction with those other clubs in VA01.
- They feel greater connectivity with clubs in VA02 due to their closer proximity to their club.

At the November 2017 National Council meeting, this request was noted and National Council agreed to this in principle, dependent on the VIEW Clubs in Zones VA01 and VA02 not raising any issues in regard to this rezoning.

Two responses were received both in support of this re-zoning:

- Templestowe Evening VIEW Club replied advising that members had no objection to this request. (dated 1 December 2017)
- Blackburn VIEW Club advised that it was reasonable action to take. Both clubs meet at the same venue and the club members thought it was strange that they were not in the same zone already. (12 January 2018).

As no negative comments were raised by Clubs in Zones VA01 or VA02, it was proposed that Box Hill/Mitcham VIEW Club’s request for rezoning be granted.

The new proposed distribution will be as follows:

Zone VA01 (5 clubs)
- Banyule VIEW Club
- Eltham Evening VIEW Club
- Greensborough Evening VIEW Club
- Heidelberg VIEW Club
- Plenty Valley VIEW Club
