

Parking at the Hotel

The hotel car park is located approximately 30 metres along Orchid Avenue on the left hand side. Please turn into Cavill Avenue then follow this around to the left into Orchid.

Turning into the hotel car park on the left, descend down the ramp then turn right towards the hotel boom gate. You are now on "B1." Please retrieve ticket at the boom gate and proceed to designated hotel parking on **Level B2** by following the **blue** line marked on the floor. Please keep your ticket with you as this will be required to exit the carpark.

Upon arriving on level B2 please drive straight ahead into Hotel parking (any carpark marked with a **Red H**), which is marked in **blue**. Additional parking is also available on lower levels. Park vehicle and proceed to hotel elevator and Lobby (Ground Floor).
