

You're invited to a pleasant Sunday afternoon with tales of sculpting, forensic art and ancient Egyptian mummies

# The Art and Science of Making Faces

Join our special guest speaker, sculptor Jennifer Mann, as she takes us on a fascinating journey through forensic facial reconstruction. Jennifer will talk about how her passion for portraiture set her on a path to become a highly skilled forensic facial reconstruction sculptor, and how she brought back the face of an Ancient Egyptian.

Sculpture by Jennifer Mann Photo Paul Burston
