

RAFFLE BOOK USE

Which Raffle tickets should our Club use?

Internal Raffles

Internal raffles are those held at Club, Zone or Gala events and **should always be conducted using inexpensive "coat check" raffle tickets**, available in local supermarkets or newsagencies etc.

External Raffles

VIEW printed raffle tickets must be used when selling tickets to members of the general public. These tickets can be ordered from National Office at least one month prior to the event by using a "Stock Order Form". These books (50 tickets per book) have sequentially numbered tickets for easy monitoring and accountability.

Clubs are reminded that while VIEW printed raffle tickets are issued at no cost to Clubs, they are costly to produce and mail.
