WELCOME TO AUGUST

We are planning to meet once more on the 21 August 2020, if nothing changes before then we look forward to catching up with everyone all be it with COVID_Safe restrictions.

The social days will be starting up from October, please take note of the **new book** we have for recording your interest in a particular event. This book will be at the sign-in table. Also planning for our 'belated' 10th Birthday celebration has begun and will be held at the September meeting.

PRESIDENTS MESSAGE

Hello Ladies

I hope you are well and keeping to the recommended COVID guidelines. We are lucky to live here in Queensland. It seems that the majority of Queenslanders are aware and adhering to the rules which have been enforced by our Government.

Well, the good news is that we will be having our meeting at the Pimpama Tavern on 21st August. I have been in touch with the Tavern and they are happy to have us back with some restrictions.

The important part of returning to our meetings/social gatherings is the friendships, the smiles, the chatter and a catch-up for a lot of members who have been unable to see anyone. Let's be positive about our commitment to fundraising and support for our LFL students.

Members responsibility for the COVID requirements will be in place (National Office Guidelines) e.g.

- Sign in on entering in the book, making lunch choices and paying money.

- Committee members at the front table selling raffle tickets (they will have gloves on to protect when handling money etc.)
- Wearing face masks is optional but recommended to protect us all.

Face to face gatherings will have some restrictions as outlined in the previously sent email. This could be seen as 'non-sociable' – let's be positive and friendly 'from afar'. An elbow bump maybe. Let's have some fun.

Ladies, I am looking forward to catching up with you all and hearing lots of chatter and laughing. Maz is looking forward to having her trade table operating. Evelyn Burg will be our speaker for the meeting, and I am sure she has some interesting subjects for us.

If further restrictions are enforced **before the 21st** we will contact everyone to let you know what is happening and maybe organise a casual catchup for our club.

See you soon
