Hello everyone,

We know how important it is to keep in touch and ensure we are all doing OK. So, we are reaching out and hoping you can add a little 'zing' to our monthly letter. Below are some suggestions, but you may have something different to contribute. Email it to me please or drop it off to a committee member.

- A short review of a really good book you have read or a movie/show you have watched.
- A poem/short story about anything that excites you or even annoys you!
- Tell us, or illustrate (get those pencils out), how you have coped this year.

This was a contribution from Sue Cotterill. Just double click on the image! For those without email – I apologise. It is entitled 'Sounds of the Sixties'
