

Members wanted, with VIEW to connect

Berwick Evening VIEW Club is seeking women who would like to make social connections while making a difference.

VIEW (Voice, Interests and Education of Women) offers a network for women to connect to the community, enjoy social activities and develop lasting friendships while supporting the work of The Smith Family.

The Berwick Evening VIEW Club is one of over 300 Australian clubs to sponsor disadvantaged students through The Smith Family's Learning for Life sponsorship program which in addition to financial support, offers tutoring and mentoring programs and a Smith Family coordinator to support a child's specific needs.

The club meets at 6pm for a 6.30pm start every third Monday of the month at the local Hill Restaurant and also hosts social events including guest speakers, theatre and film trips, coffee mornings, dine-outs and country trips, to name a few.

"One of our very favourite fundraising activities is the Bunnings Sausage Sizzle and we are thrilled that it has returned after Covid restrictions. New members will be able to join the debate about whether the onion goes on the top of the sausage or vice versa," said newly elected president Jan Whitaker.

"Berwick Evening VIEW Club looks forward to welcoming new members in search of purpose and fun," Jan added.

Anyone interested in joining the friendly club can call Jan Whitaker on 9705 9009, email berwick.evening.view@gmail.com or look up the club on Facebook or at view.org.au
