

# Make a Spectacle Templates

## Instructions

1. Print out (recommend using 200gsm card, set print to “actual size” )
2. Cut along the black line – don’t forget to cut out the centres of the 0’s
3. Decorate your Glasses any way you would like
4. Attach your selected ‘handle’ using the tab to wrap around the handle to provide support.
5. Continue steps as noted in the “Make a Spectacle” flyer

Tab
