

WELCOME BACK

Victorian VIEW
members!

It's great to know that Victorian restrictions have finally eased and you can now enjoy getting out and about to some extent.

It will soon be time for catching up and getting together with friends, family and returning to VIEW.

You have all accomplished a great deal over these challenging times: the wonderful cookbooks, the on-line raffles, facemask making, the Zoom meetings and the many innovative ideas that you have all had to strengthen and support yourselves, your clubs and your Learning for Life students.

Enjoy your new found freedom and double donut days!!

Regards from us all

Anne-Louise, Beryl and Jo
